

Varramore Partners enrolls in the Xero Partner Programme

London, 2nd June 2020 – Varramore Partners (“Varramore”) is extremely pleased to announce that it has recently enrolled in the Xero Partner Programme with Varramore’s Managing Director, Sundip Bhogal, successfully becoming Xero Advisor Certified.

Xero provides a multi-award-winning cloud-based accounting software platform for small and medium-sized businesses. Xero’s accounting software platform is widely regarded as one of the best on the market.

By enrolling in the Xero Partner Programme, Varramore has further enhanced its capacity to deliver high quality accounting, finance and tax services to its clients – typically, small- and medium-sized investment firms based in the UK.

Varramore’s Accounting, Finance & Tax offering is led by Sundip Bhogal. Sundip has over 12 years of accounting, finance and tax experience. He has qualified as a Chartered Certified Accountant with the Association of Chartered Certified Accountants (ACCA) and holds valid certification to conduct public practice under the ACCA.

Sundip Bhogal, Managing Director, commented: *“Over the past 12 years working in the accounting and finance profession, I have worked extensively with various accounting software suites. In my opinion, Xero is one of the very best that I have worked with to date. Xero’s accounting software has been developed with both the advisor and client in mind. This provides Varramore with an ideal foundation to deliver the best advice to our clients. We hope that through programmes such as the Xero Advisor Certification, we continue to demonstrate to new and existing clients that Varramore seeks to deliver best-in-class services using best-in-class technologies.”*
